PLEASE DO NOT WRITE BELOW THIS LINE

continued on reverse side

Name: _____

Any information that you choose to provide in response to the following two questions will appear in the Environmental Accounting Network Directory. Please limit your total response to 100 words.

6. **Please describe your activities in the areas of environmental cost accounting and capital budgeting as you would like them to appear in the Environmental Accounting Network Directory. (e.g., "I prepare project justifications," "I am developing new management accounting methods for our chemical products division," or "I teach...") Also, please explain what tools, skills, or services you or your organization can provide to others.**
7. **What specific types of information and resources do you seek from other Network members to assist you in your own environmental accounting efforts?**

Responses to the following question will not be included in the Environmental Accounting Network Directory, but any information that you choose to provide will be helpful to EPA's Environmental Accounting Project and may be made publicly available through other EPA environmental accounting resource materials.

8. **Please list any documents, reports, books, articles, newsletters, software tools, etc., related to environmental cost accounting and capital budgeting that you believe your colleagues should know about. Please include document title, publisher, availability, cost (if any) and address or phone number to order. (EPA will make this information publicly available in future resource listings.) Attach additional sheets, if necessary.)**
